ORDER:

In the reference read above, the Director of Factories, A.P., Hyderabad has submitted that the National Policy on Safety, Health and Environment at Work Place also underlines the importance of Occupational Safety and Health Skills Developments. In order to function more effectively in this direction, it is felt necessary to organize increased number of safety training programmes on a continued basis to benefit the large number of workers, (i.e) 10.40 Lakhs workers employed in more than 41,000 registered factories in the State. It is, therefore, submitted that there is an immediate need for establishing / reviving the Institute of Industrial Safety specially dedicated to carry out the following training activities in order to improve the work place safety and achieve the objectives of the National Policy on Safety Health & Environment at Work Place:-

- i. Industrial Training Programmes in Safety – Industry wise – to new employees of different categories.
- ii. Periodical refresher safety training programme for employees both managerial and supervisory personnel – of different factories.
- iii. Induction training in safety for new officers of the Factories Department.
- iv. Refresher safety training programmes for the departmental officers periodically.
- v. Special safety training programmes for Contract workers – in construction sector, material handing, etc and other specified works.
- vi. Organize workshops / seminars on Occupational Safety & Health issues regulatory for motivation of managements.
- vii. Developing need based publications and audio visuals in regional language.
- viii. Conduct surveys and research in Occupational Safety and Health.

2. The Director of Factories has also stated that in order to meet the recurring expenditure and other running costs, it is proposed to conduct the following Training Programmes on cost payment basis:-

- (i) A certificate course in Health and Safety following guideline issued by the DGFASLI for supervisors working in hazardous factories.
- (ii) Specialized Training Programmes for Contract workers Supervisors as per the requirement of the industries.
- (iii) Pre induction training programme in Safety and Health for Newly recruited employees of Factories.
- (iv) Refresher Training Programmes for middle level management employees in occupational safety and health.
- (v) Organize workshops, Seminars etc. on various issues related to safety.
- (vi) Certificate course on occupational Health can also be started with the Guidelines of DGFASLI.
- (vii) The Training Programme on Disaster Management with the funds available with the Industrial Emergency Response Center's located in other places in the state for the personnel working in factories located in that respective Districts.
- (viii) Training Programme can also be conducted for ITI students / Apprentices.

3. The Director of Factories has requested the Government to issue orders to revive the Institute of Industrial Safety & Health in order to improve the work place safety and achieve the objectives of the National Policy on the Safety Health and Environment at work place, since there is no additional financial burden on the State Exchequer.

4. The Government, after careful examination, hereby accord permission for revival of the Industrial Safety & Health activities in the existing institute by way of redeployment of existing staff, pending sanction of required staff and resources in due course.

5. He shall submit proposals for sanction of Additional Staff and funds required separately in the form of Revised Budget estimates urgently.
